Item 2 of the provisional agenda**
Adoption of the agenda and organization of work

Status of documentation

Note by the Secretariat

1. In accordance with paragraph 8 of the annex to Economic and Social Council resolution 2008 (LX), the forty-seventh session of the Committee for Programme and Coordination will be held at Headquarters from 11 June to 6 July 2007.

2. In its resolution 1988/77 on its revitalization, the Council reiterated that the Secretariat should circulate relevant documentation in all working languages six weeks before the opening of sessions of the Council and its subsidiary organs.

3. In section III of its resolution 59/265 of 23 December 2004, the General Assembly noted with deep concern that the six-week rule for the issuance of documents was not fully complied with owing to, inter alia, the continued late submission of documents by author departments, and requested the Secretary-General to take further urgent measures to ensure strict compliance with the six-week rule for the timely issuance of documentation in view of the impact of their late issuance on the functioning of intergovernmental and expert bodies, which had been acutely felt during the main part of the fifty-ninth session.

4. In its resolutions 53/208, 54/248, 55/222, 56/242, 57/283 B and 58/250, the General Assembly: (a) reiterated its request to the Secretary-General to ensure that documentation was available in accordance with the six-week rule for the distribution of documents simultaneously in the six official languages of the Assembly; (b) reaffirmed its decision that if a report was issued late, the reason for the delay should be indicated when the report was introduced; and (c) decided that if a report was submitted late to conference services, the reasons for the delay should be included in a footnote to the document.

* Reissued for technical reasons.

5. In its resolution 61/236 of 22 December 2006 and in the resolutions cited in paragraph 4 above, the General Assembly reiterated its request that the Secretary-General direct all departments to include, where appropriate, the following elements in reports originating in the Secretariat:

(a) A summary;

(b) Consolidated conclusions, recommendations and other proposed actions;

(c) Relevant background information.

6. In those resolutions, the General Assembly also reiterated its request that all documents submitted to legislative organs by the Secretariat and expert bodies for consideration and action should mark conclusions and recommendations in bold print.
